

Creating Welcoming and Affirming Clinical Studies for LGBTQIA+ Participants Toolkit

Acknowledgments

Authors: Alex S. Keuroghlian and Hilary Goldhammer, The Fenway Institute, Fenway Health

This toolkit was funded by Johnson & Johnson and co-developed with the Fenway Institute. Johnson & Johnson contributors include:

Sean Murphy

Clark Musto

Shir Netanel

Robert Patrizi

Joseph Trombello

Keuroghlian AS, Goldhammer H. Creating Welcoming and Affirming Clinical Studies for LGBTQIA+ Participants Toolkit. The Fenway Institute and Johnson & Johnson; 2024.

This toolkit was created in collaboration with LGBTQIA+ communities, and experts who work within those communities. We would especially like to thank Eli Green of Trans-Affirming Training and Consulting, and Dr. Scout of the National LGBTQI+ Cancer Network, for their insightful input and feedback on this resource.
